### **5H Tackles the Mac Lab**

Many thanks to **5H** (above), who have taken on the job of renewing the Macintosh Computer Lab. Their work includes essential deferred maintenance such as cleaning keyboards, checking connections, and reinstalling hardware. When the Mac Lab re-opens next week, it will rock!

### **Kiwanis Run**

Harry Camsell School will be hosting the annual Kiwanis Fun Run next Wednesday, Sept. 23. The races start at 3:15 and will take the athletes through the foliage around Hay River schools. This will be a timed race in preparation for the NWT Championships at Chief Jimmy Bruneau School in Behchoko (Edzo side) on Friday, October 2. Come on out and cheer our runners on!

### **And Just a Little Farther Ahead... Picture Day!**

Picture Day will be on Tuesday, October 6. LifeTouch will be here to take individual student photographs. Packages will be sent home with students this coming Monday, September 21.
