

ICT Pilot Project Feedback Form

The purpose of this form is twofold. First, we will support staff piloting the ICT curriculum and this is a tool that will help with support. Second, we would like feedback to improve the curriculum/lessons.

Your Name:	School:
Grade:	Lesson Taught:

Please rate the lesson and the results on a scale of 1-10, one being lowest, with the following criteria:

1-10

Ease of use (ie preparation, resources, student comprehension):	
Overall Learning Value to Student:	
Learning in the Core curriculum areas:	
Technology Learning:	
Recommendation for continued use:	

Comments – Please elaborate on:

- what resources could we help with
- how can we support you with this lesson
- anything to do with preparation and delivery that will give us insight into your experiences
- suggested modifications to lessons
- recommendations
- anything else
